2. Not less than 3 days before the date of hearing, a copy of the petition and a notice stating the date, time and place for the hearing shall be mailed or delivered to the association and the party petitioning.

(b) At the time and place so fixed, unless by stipulation some other time and place is fixed, the division shall hear all parties interested and shall cause the testimony given to be reduced to writing.

(b) *Penalty for failure to pay fee.* An association failing to pay the annual fee to the division before July 16 of each year shall, if ordered by the division, pay the fee and pay interest at an annual rate of 12 percent on any portion of the fee that is past due.

(b) Leasehold interests extending or renewable automatically for a period of at least 15 years beyond the maturity of the debt.

(c) An assignment or transfer of stock certificates or other evidence of the borrower's ownership interest in a corporation formed for the cooperative ownership of real estate. Sections 846.10 and 846.101, as they apply to a foreclosure of a mortgage involving a one-family residence, apply to a proceeding to enforce the lender's rights in security given for a loan under this paragraph. The division shall promulgate joint rules with the office of credit unions that establish procedures for enforcing a lender's rights in security given for a loan under this paragraph.

(2) **LENDING AREA.** Except for loans made under s. 45.37, the lending area of an association is limited to that area within a radius of 100 miles of the association's office.

(3) **MORTGAGE AND MORTGAGE NOTE.** Every mortgage loan shall be secured by a mortgage upon the real estate security and evidenced by a mortgage note.

(4) **PRIORITY OF ASSOCIATION'S MORTGAGES.** (a) All mortgages described in this section shall have priority over all liens, except tax and special assessment liens and liens under ss. 292.31 (8) (i) and 292.81, upon the mortgaged premises and the buildings and improvements thereon, which shall be filed subsequent to the recording of such mortgage.

(b) Any additional advance made to a borrower, where the mortgage and mortgage note provides for such additional advances, shall not exceed an amount specified in said mortgage.

(5) **MAXIMUM AMOUNT OF LOANS TO ONE BORROWER.** (a) The aggregate of loans that an association may make to any one borrower is subject to such limits as determined and prescribed by the division and review board, but not exceeding 10 percent of the aggregate savings accounts or the net worth of the association, whichever is less.

(b) The aggregate of loans to any one borrower shall consist of any loans made directly to the borrower and to any corporation of which the borrower is an officer, director or shareholder.

(6) **MAXIMUM PERIODS OF LOAN AMORTIZATION.** (a) *Direct reduction mortgage loans.* The total monthly contractual payment on a direct reduction mortgage shall appear in the mortgage note. (b), up to the full insurable value during the life of the loan, for the benefit of the association, against loss by fire, windstorm and such other hazards as the association requires. The selection of the insurance agent or insurer through which the insurance covering such property is to be negotiated shall be made in accordance with ss. 134.10 and 628.34 (5).

(b) The insurance policies or evidence or certificate of the existence of such insurance policies shall remain on deposit with the association until the loan is paid. An association which carries adequate insurance, issued by a company licensed to write insurance protecting the association from losses under par. (a) at no cost

to the borrower if the borrower fails to maintain insurance, shall not be required to request or record future insurance policies of the borrower if at the time of closing the mortgage transaction the borrower deposited with the association an acceptable policy or evidence or certificate of the existence of such an insurance policy, with a mortgage clause protecting the interest of the association.

(c) War damage insurance shall not be required unless the directors of the association, by resolution, demand that same be provided by the borrower.

(10) ADDITIONAL COLLATERAL. (a) Any association may accept, as additional collateral to its mortgage note, any other real estate, personal property or a policy of insurance on the life of any person who is a party to or responsible for the payment of the mortgage note. The association may be named beneficiary as well as absolute assignee of such life insurance and, to protect its interests therein, advance premiums thereon.

(b) Upon written request of any borrower, any association may accept as additional collateral a policy of health and accident insurance on the life of any person responsible for the repayment of the mortgage loan, and may, in the event of the borrower's inability to pay premiums thereon, advance said premiums. (12) INSURED OR GUARANTEED LOANS. An association may make mortgage loans insured or guaranteed wholly or in part under the national housing act approved June 27, 1934, or the servicemen's readjustment act of 1944, (P.L. 78–346). (14) SELLING LOANS. Except as otherwise prescribed in s. 215.13 (22) an association may sell mortgage loans, without recourse, to any person, and service such loans for the purchaser in accordance with a duly executed servicing agreement. The aggregate of loans sold in any calendar year shall not exceed such limits as may be set by the division and review board.

(15) PARTICIPATION LOANS. Any association may participate with other lenders in mortgage loans of any type that such association may otherwise make, subject to such rules as the division issues, including the interest in participation loans to be retained by the originator. The normal lending area, prescribed in sub. (2), shall not apply to any association purchasing a participating interest in such loan, provided the real estate securing such loan is located within the United States.

(16) UNACCEPTABLE TYPES OF SECURITY. (a) An association may make a mortgage loan on the security of vacant land, if the loan is any of the following:

does not apply to home-type property containing 4 dwelling units or less personally used by the borrower as a place of residence.

(c) Nothing in this section shall prevent any property from being pledged as additional collateral for a loan as long as the value of the unacceptable security is not used to determine the appraised value of the real estate security upon which the loan is based.

(d) An association may not make a mortgage loan on the security of or to finance the purchase of vacant land that is acquired or held for speculation.

(17) PROHIBITED LOANS. (a) No association may directly or indirectly make a mortgage loan to an officer, director or employee of the association.

1. All costs, expenses and debts of the association incurred on or after the date on which the division takes possession of the association.

2. All claims which are secured by, or which are liens on, assets of the association, to the extent of the value of the assets.

3. All portions of secured claims which remain unsatisfied and unsecured claims on equal priority and proportionate basis, except subordinated debt shall be paid according to the terms of the contract evidencing it.

(f) *Liquidating dividends.* After the date fixed for filing proof of claims under s. 215.32 (6) (a), the special deputy may, with the prior approval of the division and the circuit court, out of the funds remaining after the payment of costs, expenses, debts and claims under par. (em), declare liquidating dividends, and may declare a final liquidating dividend. The liquidating dividends shall be paid to those persons, in those amounts directed by the circuit court.

(g) *Notice prior to order for final distribution.* Prior to the order for final distribution under par. (f), the special deputy shall publish a class 3 notice, under ch. 985, and give such further notice as the circuit court directs, requiring all persons who have claims against the association arising during the liquidation proceedings to file proof of their claims at a place and by a date not earlier than 30 days after the last insertion of the notice. Proof of publication of the notice shall be filed with the clerk of circuit court. A claim for which no proof of claim is filed by the date fixed in the notice is barred. Any interested party may file written objection to any claim with the special deputy. The special deputy may reject any claim. After notice by registered mail of rejection, the claim is barred unless the claimant commences an action within 90 days after the date of mailing of the rejection.

(h) *Transfer of residual assets to division.* After the order for final distribution has been made under par. (f), the special deputy shall, with the approval of the division and the circuit court, assign all assets, claims and demands that have been written off and considered worthless, and all unknown assets, to the division. The division may accept and hold the assets, claims and demands, with the power to compound, compromise, settle and assign them and execute and deliver any legal instrument incidental thereto without court approval. Any moneys received shall be paid into the general fund of the state after the division has deducted the cost of division services, attorney fees and other incidental expenses.

(7) **UNCLAIMED LIQUIDATING DIVIDENDS AND UNCLAIMED FUNDS.** (a) 1. The special deputy shall deliver to the division:

a. Any unclaimed liquidating dividends and all funds remaining in the hands of the special deputy at the date of the order for final distribution.

b. All final liquidating costs.

2. The division shall deposit moneys delivered under subd. 1. in a financial institution, to the credit of the division in trust for the persons entitled to the moneys.

3. The division shall include in the annual report under s. 215.02 (11):

a. The names of associations liquidated.

b. The sums of unclaimed and unpaid liquidating dividends and unclaimed funds with respect to each liquidated association.

c. A statement of interest earned upon such funds.

(c) The division may:

1. Pay the moneys so held to the persons entitled thereto, upon being furnished satisfactory evidence of their right to the same.

2. In case of doubt or conflicting claims, require an order of the circuit court directing the payment.

3. Apply the interest earned by the moneys so held towards defraying the expenses in the payment and distribution of unclaimed liquidating dividends and funds to the persons entitled to the same.

(d) The division may make application to the circuit court for an order determining what books or records of an association subject to this section are to be kept or destroyed. All books or records ordered kept shall be kept in a manner and place ordered, subject to the further order of the circuit court. The expense of keeping books or records shall be paid before final distribution. All books or records ordered destroyed shall be delivered to the division to be destroyed.

(8) **TITLE PASSES TO DIVISION.** The possession of and title to all property of the association is transferred from the association to the division on the date the notice required by sub. (2) is filed. The filing of the notice bars any attachment, garnishment, execution or other legal proceedings against the association or its property.

(9) **EFFECT OF POSSESSION.** No association shall have a lien or charge for any payment, advance or clearance made or liability incurred, against any of the assets of the association after the division has possession.

(10) **ACTION TO ENJOIN PROCEEDINGS.** An association subject to this section may, within 10 days after the notice required under sub. (2) is filed, apply to the circuit court to enjoin further proceedings. The circuit court, after citing the division to show cause why further proceedings should not be enjoined and hearing the matter, may enjoin the division from further proceedings, and direct the division to surrender the association's business and property to the association.

(11) **COMPENSATION AND EXPENSES IN CONNECTION WITH LIQUIDATION.** The compensation of the special deputies, counsel and other employees and assistants and all expenses of supervision and liquidation shall be fixed by the division, subject to the approval of the circuit court, and shall upon the certificate of the division be paid out of the funds of the association. Such expenses include the cost of the service rendered by the division to the association and shall be determined from time to time by the division and shall be paid to the division from the assets of the association.

(13) **REINSTATEMENT.** Whenever the division has taken possession of the business and property of any association, the association may resume business when:

(a) In the case of a mutual association, the owners of at least two-thirds of such association's dollar value aggregate of outstanding savings accounts or, in the case of a capital stock association, the owners of at least two-thirds of the association's outstanding shares, execute a petition to such effect, in the form prescribed by the division;

(b) Such members, savers or stockholders, or a committee selected by them, submit to the division a plan for the reorganization and reinstatement of the association;

(c) The division recommends that control of the business and property of the association be returned to the directors; and

(d) The court in which such liquidation is pending, upon application of the division, finds that the association will be in a safe and sound condition when control is resumed by the directors.

(14) **REINSTATEMENT UPON A RESTRICTED BASIS.** Such association may resume business upon a restricted basis, and upon limitations and conditions prescribed by the division when approved by the circuit court, upon application of the division. Such restrictions and conditions may include a prohibition against the acceptance of payments on new savings accounts, reasonable restrictions upon withdrawals of savings accounts and the payment of other liabilities. Such associations shall thereupon be relieved from the control of the division.

(15) **PROCEDURE UPON TAKING POSSESSION OF ASSOCIATION WHOSE SAVINGS ACCOUNTS ARE INSURED BY DEPOSIT INSURANCE CORPORATION.** (a) The division may, if the division takes possession of any association, the savings accounts of which are to any extent insured by the deposit insurance corporation, tender to the

deposit insurance corporation the appointment as statutory liquidator of such association. If the division does not make such tender, the division shall tender to the deposit insurance corporation the appointment as statutory co-liquidator to act jointly with the division, but the co-liquidatorship shall not be for more than one year from the date of such tender, at the expiration of which time the division shall become the sole liquidator except as herein otherwise provided. The division shall tender to the deposit insurance corporation the appointment as sole statutory liquidator of such association whenever the deposit insurance corporation has become subrogated to the rights of 90 percent of the liability of the association on savings accounts. If the deposit insurance corporation becomes subrogated as to all the savings accounts in the association, it may then exercise all the powers and privileges conferred upon it without court approval.

(b) If the corporation accepts the appointment as sole liquidator it shall possess all the powers and privileges of the division as statutory liquidator of a possessed savings and loan association, and be subject to all the duties of the division as sole liquidator, except insofar as such powers and privileges or duties are in conflict with federal laws, and except as herein otherwise provided, unless such association resumes business, pursuant to subs. (13) and (14). If the corporation accepts the appointment as co-liquidator, it shall possess such powers and privileges jointly with the division and shall be subject to such duties jointly with said division.

(c) In the event the corporation accepts the appointment as co-liquidator or liquidator, it shall file such acceptance with the division and the clerk of the circuit court and it may act without bond. Upon the filing by the corporation of its acceptance of the appointment as sole liquidator, the possession of and title to all the assets, business and property of the association shall vest in the corporation without the execution of any conveyance, assignments, transfer or endorsement. Upon the filing by the corporation of its acceptance of the appointment as co-liquidator, such possession and title shall be vested in the division and the corporation jointly. If the corporation does not qualify as sole liquidator at or before the time herein provided for the expiration of the co-liquidatorship, the corporation shall be wholly divested of and from such joint title and possession and the sole title and possession shall thereupon vest in the division. The vesting of title and possession of the property of the association, under sub. (8), shall not render such property subject to any claims or demands against the federal corporation, except such as may be encumbered by it with respect to such association and its property. Whether or not it serves as aforesaid, the corporation may make loans on the security of or may purchase with the approval of the court, except as herein otherwise provided, all or any part of the assets of any association, the savings accounts of which are to any extent insured by it, but in the event of such purchase, the corporation shall pay a reasonable price.

(d) Whether or not the corporation serves as liquidator, whenever it pays or makes available for payment the savings accounts of any such association in liquidation which are insured by it, it shall be subrogated upon the surrender and transfer to it of such savings accounts, with respect thereto, but such surrender and transfer shall not affect any right which the transferor has in such savings accounts which are not paid or made available for payment or any right to participate in the distribution of the net proceeds remaining from the disposition of the assets of such association; provided, that the rights of the investors and creditors of such association shall be determined in accordance with the applicable laws of the state.

in any activity which would, if engaged in by a domestic association or corporation, require it to be chartered under the laws of this state as a savings and loan association. However, a foreign association is not considered to be doing business in this state solely because it does one or more of the following:

(a) Makes a mortgage loan in this state, purchases a loan secured by real property located in this state, or otherwise acquires an interest in real property located in this state.

(b) Holds or disposes of any interest in real property located in this state.

(c) Pursues its rights or remedies in this state as the owner of real estate or under the terms of a real estate mortgage or similar security interest.

(d) Advertises in this state.

(2) LIMITATIONS ON THE ACTIVITIES OF FOREIGN ASSOCIATION. The activities in which a foreign association may engage in this state are limited to those in which an association chartered by this state may engage, and are subject to the laws of this state to the same extent as those activities of an association chartered by this state. No foreign association may do business in this state without a certificate of authority issued under this section.

(3) CERTIFICATE OF AUTHORITY TO DO BUSINESS. (a) *Application fee and contents.* Each application by a foreign association for a certificate of authority to do business in this state shall be accompanied by a \$500 application fee payable to the office and shall contain:

1. A certified copy of the association's current articles of incorporation and bylaws, or other similar governing documents.

2. The name and address of an individual in this state who will serve as the association's agent under sub. (5).

3. Satisfactory evidence that the association is in good standing with the authorities responsible for its supervision in the jurisdiction in which it is organized.

4. If the accounts of the association are insured, satisfactory evidence that the insurance is in force.

5. Such other information as the division may require.

(b) *Approval of applications.* Upon receipt of a completed application and the required fee, the division may issue a certificate of authority. The certificate of authority may be subject to specific conditions that the division believes necessary to adequately safeguard the interests of the residents of this state. A certificate of authority to do business in this state shall not be issued unless:

1. The association is in sound financial condition and entitled to public confidence, and the division is satisfied that the association will conduct its business in this state in accordance with the laws of this state.

2. The accounts of the association are insured by the deposit insurance corporation or any other insurer acceptable to the division, or that adequate and sufficient securities have been deposited with the secretary of administration to assure that the association will meet its obligations to the residents of this state.

(c) *Revocation.* The division may revoke a certificate of authority issued under this section if:

1. The association fails to conduct its business in this state in accordance with the laws of this state.

2. The association refuses to permit the division to conduct a complete examination of the association, or fails to pay applicable costs or fees.

3. The division determines that the association is in an unsafe condition or that its continued operation in this state is otherwise inconsistent with the best interests of the residents of this state.

(4) EXAMINATION AND AUDIT OF FOREIGN ASSOCIATIONS. Each foreign association doing business in this state shall be examined by the division as provided under s. 215.03, audited under s. 215.25 and assessed fees and costs as provided under s. 215.02 (16), together with any out-of-state travel expenses incurred in the course of the examination. However, the division may accept

an examination to the extent permitted under s. 215.03 (2) (b) and, in lieu of the requirement under s. 215.25 (1), may accept as all or part of the audit, all or any part of an audit made on behalf of the agency responsible for the supervision of the foreign association in the jurisdiction in which the association is organized.

(5) DESIGNATION OF REGISTERED AGENT. Each foreign association doing business in this state shall maintain on file with the division the name and address of an individual in this state who is authorized to receive legal process on behalf of the association. The division shall maintain a current record of each individual so designated. The record of the division shall be conclusive evidence of the authority of the person whose name appears therein to receive process on behalf of the association.

(6) RECIPROCITY. If the laws of another jurisdiction prohibit an association chartered by this state and insured by the deposit insurance corporation from doing business in that jurisdiction, no association organized under the laws of that jurisdiction may be authorized to do business in this state. If the laws of another jurisdiction require the posting of securities or impose other additional requirements as a condition of permitting an association chartered by this state to do business in that jurisdiction, the division may impose similar requirements on an association organized under the laws of that jurisdiction before issuing the association a certificate of authority to do business in this state.

215.35 Conversion; or absorption; waiver. (1) The division may waive any portion of s. 215.53, 215.57, 215.58, 215.73 or 215.77 if the division makes written findings of both of the following:

(a) The net worth of an association is equal to less than one percent of the assets of the association or is reasonably expected to be less than one percent within one year.

(b) The waiver is in the best interest of savers of the association and the public.

(2) (a) An acquisition under this section is not subject to s. 215.36.

(b) Section 215.36 does not limit any authority of the federal regulatory agency or deposit insurance corporation in connection with an acquisition under this section.

History: 1983 a. 167, 538; 1985 a. 325; 1995 a. 27, 104.

2. Merge with one or more regional savings and loans.

(3) IN-STATE SAVINGS AND LOAN HOLDING COMPANIES. (a) An in-state savings and loan holding company may do any of the following:

1. Acquire direct or indirect ownership or control of voting shares of one or more regional savings and loans or regional savings and loan holding companies or acquire an interest in, or some or all of the assets of, one or more regional savings and loans or regional savings and loan holding companies.

2. Merge with one or more regional savings and loan holding companies.

(b) An in-state savings and loan holding company proposing any action under par. (a) shall provide the division a copy of any original application seeking approval by a federal agency or by an agency of the regional state and of any supplemental material or amendments filed in connection with any application.

(4) REGIONAL SAVINGS AND LOANS AND REGIONAL SAVINGS AND LOAN HOLDING COMPANIES. Except as provided in sub. (5), a regional savings and loan or regional savings and loan holding company may do any of the following:

(a) Acquire direct or indirect ownership or control of voting shares of one or more in-state savings and loans or in-state savings and loan holding companies or acquire an interest in, or some or all of the assets and liabilities of, one or more in-state savings and loans or in-state savings and loan holding companies.

(b) Merge with one or more in-state savings and loan holding companies.

(5) LIMITATIONS. A regional savings and loan or regional savings and loan holding company may not take any action under sub. (4) until all of the following conditions have been met:

(a) The division finds that the statutes of the regional state in which the regional savings and loan or regional savings and loan holding company has its principal place of business permit all of the following:

1. In-state savings and loans to acquire one or more regional savings and loans in the regional state.

2. In-state savings and loan holding companies both to acquire one or more regional savings and loans and to acquire and merge with one or more regional savings and loan holding companies in the regional state.

(b) The division has not disapproved the acquisition of the in-state savings and loan or the acquisition or merger with the in-state savings and loan holding company under sub. (7).

(c) The division gives a class 3 notice, under ch. 985, in the official state newspaper, of the application to take an action under sub. (4) and of the opportunity for a hearing and, if at least 25 residents of this state petition for a hearing within 30 days of the final notice or if the division on the division's motion calls for a hearing within 30 days of the final notice, the division holds a public hearing on the application, except that a hearing is not required if the division finds that an emergency exists and that the proposed action under sub. (4) is necessary and appropriate to prevent the probable failure of an in-state savings and loan that is closed or in danger of closing.

(d) The division is provided a copy of any original application seeking approval by a federal agency of the acquisition of an in-state savings and loan or acquisition of or merger with an in-state savings and loan holding company and of any supplemental material or amendments filed with the application.

(e) The applicant has paid the division a fee of \$1,000 together with the actual costs incurred by the division in holding any hearing on the application.

(f) With regard to an acquisition of an in-state savings and loan that is chartered on or after May 9, 1986, the in-state savings and loan has been in existence for at least 5 years before the date of its acquisition.

(6) CONDITION ON ACQUISITION. If a regional state savings and loan holding company acquires an in-state savings and loan holding company that owns one or more in-state savings and loans that have been chartered on or after May 9, 1986, and that have been in existence for less than 5 years, the regional state savings and loan holding company shall divest itself of those in-state savings and loans within 2 years after the date of acquisition of the in-state savings and loan holding company by the regional state savings and loan holding company.

(7) STANDARDS FOR DISAPPROVAL. The division may disapprove of any action under sub. (4) if the division finds any of the following:

(a) Considering the financial and managerial resources and future prospects of the applicant and of the in-state savings and loan or in-state savings and loan holding company concerned, the action would be contrary to the best interests of the shareholders or customers of the in-state savings and loan or in-state savings and loan holding company.

(b) The action would be detrimental to the safety and soundness of the applicant or of the in-state savings and loan or in-state savings and loan holding company concerned, or to a subsidiary or affiliate of the applicant or of the in-state savings and loan or in-state savings and loan holding company.

(c) Because the applicant, its executive officers, directors or principal shareholders have not established a record of sound performance, efficient management, financial responsibility and integrity, the action would be contrary to the best interests of the depositors, other customers, creditors or shareholders of the applicant or of the in-state savings and loan or in-state savings and loan holding company or contrary to the best interests of the public.

(cg) The applicant has failed to provide adequate and appropriate services required by the community reinvestment act of 1977 to the communities in which the applicant is located.

(cr) The applicant has failed to propose to provide adequate and appropriate services required by the community reinvestment act of 1977 in the community in which the in-state savings and loans which the applicant proposes to acquire or in-state savings and loan holding company which the applicant proposes to acquire or merge with is located.

(ct) The applicant has failed to enter into an agreement prepared by the division to comply with laws and rules of this state regulating consumer credit finance charges and other charges and related disclosure requirements, except to the extent preempted by federal law or regulation.

(d) Any of the conditions under sub. (5) (a), (c), (d), (e) or (f) has not been met.

(e) The applicant fails to meet any other standards established by rule of the division.

(8) EXCEPTION. This section does not prevent a regional savings and loan or regional savings and loan holding company from acquiring voting shares of one or more in-state savings and loans or savings and loan holding companies, subject to the limitations of 12 USC 1730a except that the standard for control in 12 USC 1730a (a) (2) shall be 10 percent rather than 25 percent.

(8m) BRANCHING NOT LIMITED. This section does not limit branching authority under s. 215.13 (39).

(9) APPLICABILITY. (a) Subsections (1) to (7) do not apply prior to January 1, 1987, except that the division may promulgate rules under sub. (7) (e) to be applicable no earlier than the date that subs. (1) to (7) apply.

(b) Subsections (1) to (7) apply as of the date, not earlier than January 1, 1987, that 3 regional states, at least 2 of which shall be

from among the states of Illinois, Indiana, Iowa, Michigan and Minnesota, permit in-state savings and loan holding companies both to acquire one or more regional savings and loans and to acquire and merge with one or more regional savings and loan holding companies in those regional states.

(10) WHEN INVALIDATED. (a) Except as provided in par. (b), if any part of subs. (1) to (7) is held to be unconstitutional, then all of subs. (1) to (7) shall be invalid.

(b) If any part of subs. (1) to (7) is held to be unconstitutional with respect to a savings and loan holding company, as defined under 12 USC 1730 (a), subs. (1) to (7) shall remain in effect with respect to in-state savings and loans and regional savings and loans.

(11) DIVESTITURE. Any savings and loan holding company that ceases to be an in-state savings and loan holding company or regional savings and loan holding company shall immediately notify the division of the change in its status and shall, as soon as practical and, in any case, within 2 years after the event causing it to no longer be one of these entities, divest itself of control of all in-state savings and loans and in-state savings and loan holding companies. A savings and loan holding company that fails to immediately notify the division is liable for a forfeiture of \$500 for each day beginning with the day its status changes and ending with the day notification is received by the division.

SUBCHAPTER II

MUTUAL SAVINGS AND LOAN ASSOCIATIONS; ORGANIZATION AND MANAGEMENT

215.40 Incorporation of a mutual savings and loan association. (1) **USE OF NAME.** (a) A corporation organized under this subchapter shall be known as a mutual savings and loan association. The words “savings and loan association” or “savings association” shall form part of the name of every mutual association so organized.

(b) No corporation other than a corporation organized under this subchapter or subch. III may use a name embodying those words. No association may adopt a name identical to that of any other association or so similar to an existing association name as to be misleading.

(c) An association shall include the word “savings” in its name if its name includes the word “bank”. This paragraph does not apply to an association name if the association obtained approval for use of the name from the division before February 12, 1992.

(2) **MINIMUM MEMBERSHIP AND SAVINGS ACCOUNTS.** The division shall determine:

(a) The minimum number of persons required to organize a mutual savings and loan association in any locality.

(b) The aggregate minimum amount of savings accounts to be paid into the association by persons subscribing for savings accounts.

(c) The length of time for which the incorporators shall guarantee or pay the association’s operating expenses.

(d) Such other requirements as the division deems necessary or desirable.

(3) **WHO MAY ORGANIZE.** Adult citizens of this state, hereinafter referred to as incorporators, desiring to organize a mutual association under this section shall make application to the division as prescribed on forms furnished by the division.

(4) **APPLICATION TO ORGANIZE A MUTUAL ASSOCIATION.** The application to organize a mutual association shall be in duplicate and shall set forth:

(a) The name of the proposed association.

(b) The location of the proposed association.

(c) The full name, residence and occupation of each incorporator.

(d) The need of an association in the locality in which the proposed association intends to locate.

(e) Such other information as the division requires.

(5) **APPLICATION FEE.** The applicants shall pay to the division \$200 to defray the cost of investigation, which sum shall be deposited into the general fund to the credit of the division.

(6) **EXPENSE FUND.** (a) Along with the application, the incorporators shall file an agreement with the division that, in addition to their initial savings account subscriptions, they will create an expense fund in an amount not less than one-half of the total minimum required amount of savings accounts. The expense fund is for organization expenses, operating deficits, earnings distributions on savings accounts and losses.

(b) This expense fund shall become a part of the assets of the proposed association if the division approves the application and will be reflected on the books as a liability under the caption “Subsidy by incorporators.”

(c) If the income of a period is insufficient to pay expenses or pay a competitive rate of earnings, appropriate charges shall be made to the expense fund account.

(d) At the end of 3 years of corporate existence, the board of directors may petition the division for authority to repay the incorporators on a proportional basis, any unused portion remaining in the subsidy by directors. If the division determines that the operations of the association at that point are of such degree as to enable the association to operate as an independent institution, requiring no further subsidy, the division may authorize such repayment.

(e) At the end of the 4th year, and each subsequent year, the board of directors of the association may petition the division for authority to pay out of current income of any period to the incorporators on a proportional basis the amount remaining after payment of expenses, provision for taxes, and the provision for distribution of earnings as a recovery of previous charges made to the expense fund account by incorporators. The division may approve or deny the petition for recovery payments. In no event shall refunds of this type exceed the total of the charges made to the expense fund account by incorporators.

(f) The contributions made to the expense fund shall be noninterest bearing.

(7) **NOTICE OF APPLICATIONS; HEARINGS.** (a) Within 30 days after receiving a completed application the division shall furnish a notice of application to the applicant and to each association authorized to operate an office within 4 miles of the proposed office if the office is to be located in Milwaukee County, or 20 miles of the proposed office if located elsewhere. The notice shall describe the location and nature of the proposed office and shall solicit written comments on the application. If a hearing on the application has been scheduled the notice shall also indicate the time and place of the hearing. If not, the notice shall notify interested persons of their right to request a hearing under par. (b) 2. The applicant shall publish the notice of application as a class 3 notice under ch. 985 in the city, town or village where the office is to be located and shall provide the division with proof of its publication.

(b) The division shall conduct a public hearing on the application if any of the following occur:

1. The applicant requests a hearing at the time of filing;

2. Within 3 days after publication of the notice of application any person planning to participate in a hearing on the application files with the division a request for hearing; or

3. The division determines that a hearing will be necessary or useful.

(c) If a hearing date was not indicated in the notice of application and a hearing is subsequently required, the division shall give written notice of the time and place of the hearing to the applicant

and to anyone who has requested a hearing, not later than 10 days in advance of the scheduled hearing.

(8) **CERTIFICATION OF AUTHORITY, WHEN ISSUED.** If the application is approved, the division shall issue to the incorporators a certificate of authority to effect a temporary organization, consisting of a chairperson, a secretary and a treasurer; to execute and file articles of incorporation; to adopt and file bylaws; to adopt rules for the procedure of the incorporators; to conduct the first meeting of members; and to open subscription books for savings accounts.

(9) **POWERS OF INCORPORATORS.** The incorporators shall, until the completion of the organization, exercise such other powers as are conferred upon the incorporators of other corporations so far as such powers are not in conflict with this chapter.

(10) **SURETY BOND OF OFFICERS.** The incorporators shall require a surety bond in a suitable amount from the treasurer and other officers who may handle funds of the temporary organization.

(11) **CERTIFICATE OF AUTHORITY, WHEN VOIDED.** The certificate of authority shall be void after 90 days from its date, but the division may for cause, after a hearing, extend the life of such certificate for such time as the division deems advisable.

215.57 Jurisdictional conversion of mutual associations. **(1) PROCEDURE TO EFFECT CONVERSION.** A state-chartered mutual association may convert itself into a federal association, and any federal mutual association may convert itself into a state-chartered association, as follows:

(a) A meeting of the members shall be held upon not less than 10 days' written notice to each member, served either personally or by mail, directed to the member at the member's last-known post-office address, stating the time, place and purpose of such meeting.

(b) At such meeting, by the affirmative vote, in person or by proxy, of not less than two-thirds of the dollar value of savings accounts of the association the members may by resolution declare to convert such association into a federal association or into a state-chartered association. A copy of the minutes of such meeting, verified by the affidavit of the chairperson and the secretary of the meeting, shall be filed with the division within 10 days after the meeting.

(c) If the members vote to convert the association, the secretary shall, within 30 days after such meeting, serve notice on all members, either personally or by mail directed to them at their last-known post-office addresses. Within 30 days after service of the notice, any saver in the association may notify the association in writing that the saver desires to withdraw savings accounts. Each saver so notifying the association shall be entitled to the withdrawal value of the savings accounts, less any amount due the association.

(d) 1. Within 6 months after the adjournment of a meeting to convert into a federal association, the association shall do what is necessary to make it a federal association. Within 10 days after the receipt of the federal charter, the association shall file with the division a copy of the federal charter certified by the deposit insurance corporation. Upon such filing the association shall cease to be a state-chartered association and shall thereafter be a federal association.

2. Within 6 months after the adjournment of a meeting of the members of a federal mutual association called for the purpose of converting the association into a state-chartered association, the division shall examine such association and shall determine the action necessary to qualify the converting federal mutual association for a state charter. Upon complying with the necessary requirements, a state charter shall be issued to such association.

(2) WHEN STATE SUPERVISION CEASES. When conversion from a state-chartered mutual association to a federal association becomes effective, the association shall cease to be supervised by this state.

(3) CORPORATE EXISTENCE OF ASSOCIATION DOES NOT TERMINATE UPON CONVERSION. Upon the conversion of any state-chartered mutual association into a federal association or vice versa, the corporate existence of the converting association shall not terminate, and the resulting association shall be a continuance

of the converting association. All of the property and rights of the converted association shall by operation of law vest in the resulting association as of the time of the conversion, and all of its obligations become those of the resulting association. Actions and other judicial proceedings to which the converting association is a party may be prosecuted and defended as if the conversion had not been made.

(4) APPROVAL REQUIRED BEFORE CONVERSION BECOMES EFFECTIVE. Before any such conversion of any association shall be final and in effect, the written approval of the division must be secured by such association.

History: 1975 c. 359 s. 41; 1975 c. 421; Stats. 1975 s. 215.57; 1991 a. 316; 1993 a. 184; 1995 a. 27, 104.

Conversion from a federal-chartered association to a state-chartered association did not render moot an action to set aside a resolution of the federal home loan bank board authorizing the establishment of a branch office. *Elm Grove Savings & Loan Association v. Federal Home Loan Bank Board*, 391 F. Supp. 1041 (1975).

215.58 Organizational conversion from mutual to stock form. **(1) CONVERSION INTO STOCK ASSOCIATION.** (a) A state chartered mutual association may convert to a stock association or a mutual savings and loan holding company may convert to a stock savings and loan holding company under this section. The board shall adopt a plan of conversion which complies with this section and the rules of the division. The plan of conversion is subject to the approval of the division.

(b) Conversion of a mutual association or a mutual savings and loan holding company under this section is effective only if done according to a plan of conversion approved by the division under par. (a) and if the plan is approved by an affirmative vote of the majority of all votes entitled to be cast by members. Notice of a meeting to vote on the plan of conversion shall be sent to each member at least 10 days prior to such meeting. The notice shall state the time, place and purpose of the meeting, and provide a summary of the plan of conversion and such other information as the division requires.

(c) Within 10 days after a meeting of members at which a plan of conversion is adopted, the board shall submit to the division:

1. A copy of the minutes of the meeting adopting the plan. The minutes shall be certified by the secretary or president, and shall show that, by an affirmative vote as required under par. (b), the members voted to convert the association to a stock association or to convert the mutual savings and loan holding company to a stock savings and loan holding company.

2. Such additional information pertaining to the plan of conversion as the division may require.

(2) APPROVAL OF PLAN OF CONVERSION; STANDARDS. The division may approve a plan of conversion under this section if the division finds that the plan meets all of the following conditions:

(a) The plan of conversion is fair and equitable to all savers in a converting association or to all savers in each subsidiary association of a converting mutual savings and loan holding company.

(b) The plan protects the interest of depositors and owners of savings accounts of the prospective stock association or of each subsidiary association of the prospective stock savings and loan holding company.

(c) The plan complies with any other standard which the division may promulgate by rule as in the public interest.

(d) The plan does not permit members of the board of directors to acquire stock in the converting association under terms that are different from the terms offered to depositors, except that a director who is an employee may participate in any tax qualified retirement plan acquiring stock in the converting association.

(3) CERTIFICATE OF CONVERSION; EFFECTIVE DATE. The division may issue a certificate of conversion from a mutual association to a stock association or from a mutual savings and loan holding company to a stock savings and loan holding company if the division determines the plan of conversion has been implemented as approved and the association or holding company has complied with this section and any conditions to the approval. The date specified in the certificate is the effective date of conversion. The

certificate shall be recorded with the register of deeds in the county where the home office of the association or the registered office of the holding company is located.

(4) **RETENTION OF DIRECTORS.** Unless the plan of conversion provides otherwise, the directors of the converted mutual association or the converted mutual savings and loan holding company shall continue to serve as directors of the stock association or stock savings and loan holding company for the duration of the term to which they were elected.

(5) **CONTINUATION OF CORPORATE EXISTENCE AFTER CONVERSION; ASSUMPTION OF PRIVILEGES AND OBLIGATIONS.** (a) Upon conversion of a mutual association or mutual savings and loan holding company under this section, the legal existence of the association or holding company shall not terminate. The stock association shall be a continuation of the mutual association and the stock savings and loan holding company shall be a continuation of the mutual savings and loan holding company. All property of the mutual association or mutual savings and loan holding company and every right, privilege, interest and asset of every conceivable value or benefit then existing or pertaining to it, or which would inure to it, shall immediately, without any conveyance, transfer or further act, remain and vest in the stock association or stock savings and loan holding company. The stock association or stock savings and loan holding company shall have, hold and enjoy the same in its own right as fully and to the same extent as the same was possessed, held and enjoyed by the mutual association or mutual savings and loan holding company.

(b) The stock association or stock savings and loan holding company resulting from a conversion under this section shall continue to have and succeed to all the rights, obligations and relations of the mutual association or mutual savings and loan holding company. No pending action or judicial proceeding to which the mutual association or mutual savings and loan holding company is a party shall be abated or discontinued by reason of the conversion. Such an action or proceeding may be prosecuted to final judgment, order or decree in the same manner as if the conversion had not been made, and the stock association or stock savings and loan holding company resulting from the conversion may continue the action in its corporate name as a mutual association or mutual savings and loan holding company. Any judgment, order or decree may be rendered for or against the stock association or stock savings and loan holding company that might have been rendered for or against the mutual association or mutual savings and loan holding company previously involved in the proceedings. Each owner of a savings account in the mutual association or a subsidiary association of the mutual savings and loan holding company continues ownership of the account in the stock association or the subsidiary association of the stock savings and loan holding company under the same terms applicable to the account prior to conversion.

(6) **RESERVED AUTHORITY.** The division may issue rules governing the conversion of a mutual association or mutual savings and loan holding company, including:

3. The division under par. (f).

(e) *Member approval.* 1. Notice of a meeting to vote on a reorganization plan shall be sent to members at least 10 days before the meeting. On the date specified in the certificate, the mutual association ceases to exist but its legal existence continues as a mutual savings and loan holding company. (c) *Voting rights.* A member of a mutual savings and loan holding company shall have one vote for each \$100 or additional fraction of \$100 of the withdrawal value of each of the member's savings accounts in a subsidiary association of the mutual savings and loan holding company, as the savings accounts appear on the books of an association at the end of a day selected by the board of directors of the mutual savings and loan holding company. The board may not select a day to determine the withdrawal value of savings accounts that is more than 60 days before the day at which a vote is taken.

(g) The name and addresses of the initial directors.

(h) Such other information as the division requires.

(5) **APPLICATION FEE.** The incorporators shall pay to the division a \$500 fee, which sum shall be paid by the division into the general fund to the credit of the division. Applicants shall also be liable for any other direct costs incurred by the division or review board for any transcripts of hearings, per diems and travel expenses.

(6) **NOTICE OF APPLICATION AND HEARING THEREON.** Upon receipt of a properly executed application, the division shall, within 30 days, assign a date and place for hearing on the application and notice thereof shall be given as provided in s. 215.40 (7).

(7) **CERTIFICATE OF AUTHORITY; WHEN ISSUED.** If the application to organize a capital stock association is approved, the division shall issue to the incorporators a certificate of authority to effect a temporary organization, consisting of a chairperson, a secretary and a treasurer; to adopt articles of incorporation; to adopt bylaws; to adopt rules for the procedure of the incorporators; to conduct meetings; and to open subscription books for the sale of capital stock and also open subscription books for savings accounts.

(10) **CERTIFICATE OF AUTHORITY, WHEN VOIDED.** The certificate of authority as described in sub. (7) shall be void after 180 days from its date, but the division may, for cause, extend the life of the certificate for such time as the division deems advisable.

(11) **CERTIFICATE OF COMPLIANCE.** (a) Within the time prescribed in sub. (10), the incorporators of the proposed capital stock association shall file with the division a certificate stating:

(14) **DISCRETIONARY AUTHORITY.** The division shall have the discretionary power in the granting of certificates of authority to incorporators desiring to organize capital stock associations. The division may refuse to issue certificates of incorporation to the incorporators of a capital stock association to commence business when, in the division's opinion, the incorporators or any of them are not of such character and general fitness as to warrant belief that the association will be conducted for the best interests of the public; the location of the proposed association is so close to an existing association that undue harm might result, or the support of the new association might not be such as to assure its success; or when other good and sufficient reasons exist for such refusal.

(15) **APPEAL BY APPLICANTS.** If the division refuses to grant a certificate of authority or a certificate of incorporation and the applicants feel aggrieved thereby, they may appeal to the review board to review the division's determination.
